Hi, how are you? My name's Zack and I'm your new friend! I'm nine years old and my birthday is on July 3<sup>rd</sup>. I've got a small family, my parents and one sister. I haven't got any brothers, but I've got lots of cousins. I really love sports and football is my favourite one. I can play very well and I hope I become a famous player like Neymar Jr. one day. He's my idol! I can't practice many other sports because I live in a small town and there aren't sports centres here.

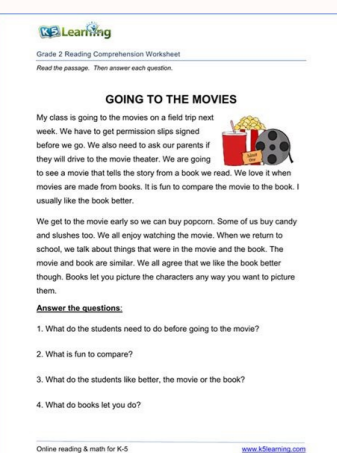

Yesterday was my birthday party. What a fun day! I jumped out of my bed early because I was excited. My mother cooked pancakes for breakfast. They were delicious, yummy! When I was little, I didn't like pancakes, but I love them now. We listened to songs on the radio. My father wanted to listen to the news but he couldn't because it was my special day! Mom also baked a big chocolate cake! In the afternoon, it was my party. The weather wasn't cold or rainy and we could celebrate! I had mailed invitations to all my friends. They arrived at 3 o'clock and we played games. Then, we listened to my new CDs and we danced a lot. It was a fun party! I didn't want my friends to go home.

I promise I'll invite you to my next party. Bye for now!

Becky was visiting Aunt Agatha at her house at the beach. It was a beautiful summer day. Becky had built a giant sand castle to send to Becky's parents. It was a great big sand castle. Later that morning, Becky and Aunt Agatha went swimming in the ocean. It was fun to jump with the waves. Then, they went in the house and ate sandwiches and strawberries for lunch.

Becky wanted to play on the beach that afternoon. Aunt Agatha told her it was too hot to go outside without a hat on. Becky didn't have a hat. Aunt Agatha told her not to worry, she could wear one of hers. Becky tried on four hats. The pink one was really pretty, but it had a big bow in the back that was too long for Becky. The green hat was too fancy for Becky. She did not like that hat at all. The blue hat was nice, but it had an ugly bird on it. Then, Becky saw a big brown hat with a yellow ribbon on it. ## A Healthy lifestyle

The Thomson family has been trying to eat healthy meals for a very long time, but found it difficult to keep it up. Mr and Mrs Thomson work long hours at the hospital, and feel exhausted when they arrive home. They also have three young children who needed a lot of care. David is eight years old, their daughter Ann is six and the baby is one. It is difficult for the family to cook healthy meals every day. For months, Mrs Thomson has been ordering food during the week, which is delivered after they arrive from work. This is a bad routine, and the Thomson's know this fact very well and have started to worry that their children will get so used to eating fast food; it will be difficult for them to change this habit. For the past two weeks, they have been eating healthy homemade meals and feel very excited about it.

**Answer the following questions:**

1. Does the Thomson family eat healthy meals?

2. How many children do they have?

3. Who orders food every day?

4. Are they worried about their bad eating habits?

5. Do you think they will continue to eat homemade food?

When we're upset and try to hide it, we project energy that most people can't see. Psychiatrists can often feel a presence of negativity or positivity and respond to the energy it transfers, even through the computer. What can affect your online reading? Some people are good to read others, and this is especially true for psychics. Some people think this decreases the validity of reading, but many choose an online psychic for comfort.
